## **CASEOLOGY SKYFALL IPHONE 14 PLUS 15 PLUS MATTE BLACK**

Product code: 810083831565-ACS04924

EAN: 810083831565

The minimalist Caseology Skyfall case is a thin yet very durable accessory that highlights the unique design of your smartphone while providing a high level of protection.

The transparent and slim construction ensures that the case does not interfere with everyday use, and the elegant frame around the camera not only additionally protects the lens but also gives the whole a stylish look.

The case is functional, perfectly fitted, and does not limit wireless charging capabilities. It features button covers and cutouts for ports.

Skyfall has undergone performance testing and received the MIL STD 810G-516.6 certification, which means it has fallen 26 times from a height of 2 meters.
