TECH-PROTECT C20W 2-PORT NETWORK CHARGER PD 20W QC3.0 WHITE

Product code: 9589046924293

EAN: 9589046924293

The universal C20W network charger offers a fast and, above all, safe way to recharge energy in devices such as smartphones, portable consoles, power banks, or tablets.

Equipped with power ports: USB-C (PD20W) and USB-A (QC3.0), it allows charging two devices simultaneously.

The Quick Charge and Power Delivery technologies minimize charging time by rapidly increasing the power of devices, while the protective systems safeguard the device against harmful overloads.

The accessory features an intelligent management system that adjusts the optimal voltage to the specific equipment.

Your device will receive exactly as much power as it needs to recharge in the shortest time possible, without the simultaneous risk of damaging the battery.

Its extremely lightweight and compact design means it fits in any handbag, backpack, or suitcase, which means you can have it with you during every trip.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Compatible with smartphones, tablets
- Made from durable materials
- Input voltage range: 100–240V~50/60Hz, 0.5A
- Output voltage: USB-C: 5V/3A, 9V/2.22A, 12V/1.67A (20W Max)
- Output voltage: USB-A: 5V/3A, 9V/2A, 12V/1.5A
- Compatible with iOS, Android
- Smart charging
- Compact size

PACKAGE INCLUDES:

1 x Tech-Protect C20W network charger
