TECH-PROTECT MAGMAT MAGSAFE IPHONE 13 CLEARBLACK

Product code: 9589046924583

EAN: 9589046924583

Stylish and simple design along with a high level of protection are synonyms for the new Magmat case from Tech-Protect. The case is made from high-quality TPU and PC components. The flexible frame made of polyurethane material perfectly protects against shocks and drops, while the hard polycarbonate back protects your phone from scratches.

The classic, transparent finish ensures a unique look for your smartphone.

The slightly raised form of the case around the camera and screen protects against damage, lifting the phone just above flat surfaces.

The Magmat is also equipped with a magnetic ring compatible with the MagSafe wireless charger, providing quick and easy charging.
