TECH-PROTECT IPX8 UNIVERSAL DIVING WATERPROOF CASE BLACK

Product code: 9589046924552

EAN: 9589046924552

Professional waterproof case from Tech-Protect. Suitable for all smartphones sized 4.7-6.7 inches. Designed for all active users engaging in extreme sports such as diving, surfing, floating, climbing, or skiing.

The massive, fully sealed construction provides indispensable protection not only against drops or scratches but also against water and dust.

The case features two windows - a smaller one dedicated for the camera measuring 8 x 5.5cm and a larger one allowing access to the phone screen measuring 16.5 x 7.5cm. At the bottom, there is a special thread that allows you to easily attach the case to a tripod or selfie stick.

This indispensable gadget will allow for safe phone usage in challenging conditions, while also capturing wonderful moments with photos or videos in unusual, vacation situations.

* Underwater, most devices have limited touch due to pressure, therefore, when taking photos, it is best to use shortcut keys.

** The fingerprint reader may be disrupted due to the thick walls.

*** Before use, verify the product's tightness by placing paper inside and then submerging the case in a bowl for at least 20 minutes.
