TECH-PROTECT A2 MAGNETIC MAGSAFE VENT CAR MOUNT WIRELESS CHARGER 15W BLACK

Product code: 9589046926730

EAN: 9589046926730

Designer car mount attached to the air vent Tech-Protect A2, equipped with the ability to charge Apple devices with MagSafe technology at a maximum power of 15W.

The built-in strong magnet will securely hold your smartphone even in the toughest conditions. Additionally, the accessory allows you to use the phone in both vertical and horizontal positions, allowing for individual adjustment of the device to your needs.

High-quality ABS components, zinc alloy, and PC guarantee long-lasting use.

Thanks to its compact design, it does not significantly affect visibility while driving, and the precise execution and elegant design will make the A2 a stylish addition as well.

* The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic eye for MagSafe applications.
