SUPCASE COSMO IPHONE 14 PLUS 15 PLUS MARBLE PURPLE

Product code: 843439119413

EAN: 843439119413

A slimmer form of armored protection is the Supcase Cosmo case. The case is made from two complementary materials - shock-absorbing TPU and reinforcing polycarbonate. This construction, despite its reduced dimensions compared to conventional armored cases, allows for effective dampening of extreme falls. Additionally, the front panel is equipped with a frame that not only separates the screen when the phone is placed display-side down on a flat surface but also protects the front part of the phone from scratches when it falls on uneven surfaces.

The case features a design that can serve as a unique decoration for the phone.

* The functionality of the in-screen fingerprint reader may be disrupted if a film/glass coating is installed. The fingerprint reader is not fully optimized in this regard.

Each Supcase product meets the military standard of resistance MIL STD 810G 516.6, which means it has fallen 26 times from a height of 2 meters.

PRODUCT FEATURES:

- 100% Original
- Lightweight, slimmer composite construction
- Precisely made
- Provides extreme protection against drops
- Perfectly fitted
- Fully functional
- Meets military drop-test standard (MIL STD 810G 516.6)
- Easy to install and remove
