SUPCASE EDGE XT IPHONE 14 PLUS 15 PLUS BLACK

Product code: 843439119673

EAN: 843439119673

The classic Supcase Edge XT bumper case is an exceptional proposition for your smartphone. Its minimalist design and high-quality TPU and PC components make the Edge an ideal choice for demanding users.

The transparent polycarbonate cover protects against scratches and hardens the structure, showcasing the original look. Meanwhile, the soft and flexible TPU edge provides ideal cushioning during falls. The entire case is finished with a metallic-matte frame, giving it an incredibly aesthetic and stylish appearance.

The front cover features an advanced "Snap-On" design that facilitates installation and serves as a natural shield for the screen as a built-in "Screen Protector," protecting it from scratches. The slightly raised form of the casing around the camera and screen protects it from scratches, lifting the phone just above flat surfaces.

The product is perfectly fitted, fully functional, does not restrict access to external ports, is compatible with the MagSafe system, and does not limit wireless charging capabilities.

The UB Edge has been tested for drop performance, dropped 26 times from a height of up to 1.2m, thus receiving the American military certification MIL-STD 810G-516.6.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Exceptionally durable
- Precisely made
- Perfectly fitted
- Fully functional
- Meets military drop-test standard (MIL-STD 810G-516.6)
