## TECH-PROTECT V3 UNIVERSAL CD CAR MOUNT BLACK

Product code: 9490713929063

EAN: 9490713929063

The latest version of the reliable holder from Tech-Protect created based on models V1 and V2. V3 is a model that will perform well in any conditions. This reliable accessory mounts in the CD player and features a 360-degree rotating head, allowing for perfect adjustment at any angle and incredible user comfort.

The V3 also utilizes a clamping, strong grip and adjustable arm spacing, which allows for fitting smartphones with a width from 46 mm to 89 mm. The holder's claws are finished with a non-slip silicone pad, effectively protecting the device from scratches and additionally strengthening the grip.

V3 is definitely the ideal accessory for the demanding. Safe and stable during travel, allowing for quick removal of the phone in case of sudden need. Elegant and classic - it will perfectly blend into modern car interiors.
