TECH-PROTECT ULTRABOOST BLUETOOTH AUX AUDIO ADAPTER CABLE GREY

Product code: 9490713933824

EAN: 9490713933824

Tech-Protect Ultraboost is a practical accessory that allows for wireless audio transmission from devices like smartphones/tablets to devices without Bluetooth functionality, equipped with an AUX jack, such as a car radio or speaker.

Charged via USB-A port, it allows easy connection to various power sources - car/home charger - making this adapter usable both at home and on the go.

Ultraboost is also a wireless hands-free kit, with a built-in microphone and noise reduction feature ensuring safe calls without interruptions.

The adapter guarantees high-quality, crystal-clear audio transmission.
