TECH-PROTECT Q15W-A28 3IN1 MAGNETIC MAGSAFE WIRELESS CHARGER BLACK

Product code: 9490713934593

EAN: 9490713934593

Tech-Protect Q15W-A28 is an advanced 3-in-1 charger that offers multiple functions and user convenience. One of its main advantages is the ability to simultaneously power three devices. This allows you to charge your MagSafe-enabled smartphone, Apple Watch, and wireless charging headphones, such as Apple AirPods or Samsung Galaxy Buds, at the same time. Each device has a dedicated charging port, meaning you can power each one independently.

The foldable design makes it easy to pack and take with you on the go. Additionally, the charger features a built-in LED light, controlled by a touch button.

Tech-Protect Q15W-A28 is a charger that not only offers convenient charging for three devices simultaneously but also provides protection and a modern look that aesthetically fits various interiors and styles. It is made from high-quality materials, ensuring durability and solid construction.

The built-in protective system ensures safety during charging. It protects devices from overheating, surges, and short circuits, helping to avoid potential damage and prolong battery life.

* To fully utilize the capabilities of the wireless charger, we recommend connecting it to a wall charger with an output power of 35W (V*A) or more.

** The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic eye for MagSafe use.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Material: ABS + PC + Aluminum
- USB-C input current: 9V/2A, 5V/2A
- Smartphone output power: 15W
- Watch output power: 5W
