TECH-PROTECT MAGSHINE MAGSAFE IPHONE 13 ROSE GOLD

Product code: 9490713935491

EAN: 9490713935491

Tech-Protect MagShine is a functional case with a colorful frame and a crystal-clear, transparent back - it showcases the original beauty of your phone while providing additional protection. The slim design ensures that the phone fits easily in your pocket and does not interfere while texting, gaming, or taking selfies.

Equipped with a magnetic ring compatible with MagSafe accessories, it allows for wireless power renewal without the need to remove the case from the phone. Now you can enjoy charging anywhere and anytime, without any obstacles.

The high quality of materials makes the case exceptionally durable, and thanks to the special air cushion structure, it is also resistant to drops, providing additional protection against unforeseen situations.

Magshine also guarantees comprehensive protection for the camera in your phone. You don't have to worry about damage or scratches on the camera lens. Every photo you take will be clear, sharp, and full of details. Regardless of the conditions you find yourself in, you can be sure that your pictures will always be perfect.
