

TECH-PROTECT ULTRABOOST "L" TYPE-C CABLE 60W6A 100CM GREY

Product code: 9490713935293

EAN: 9490713935293

Tech-Protect UltraBoost "L" is an innovative USB-C to USB-C cable designed for safe charging and fast data transmission. Ideal for users who value not only performance but also comfort when using devices, this cable features a unique solution.

UltraBoost has a 90° angled connector, allowing for more ergonomic and comfortable device connections. This reduces wear on the cable itself, translating into its durability and longer lifespan.

The cable boasts high performance - supporting charging speeds of up to 60W/6A and fast data transmission speeds of up to 480 Mbps. It is the perfect solution for those who need not only fast charging but also quick file transfers or data synchronization between devices.

The cable's braid is made of nylon, adding durability and resistance to mechanical damage. Additionally, the cable features an aluminum housing enhanced with durable braids.

PRODUCT FEATURES:
