TECH-PROTECT ULTRABOOST ADAPTER TYPE-C TO LIGHTNING GREY

Product code: 9319456606195

EAN: 9319456606195

The Tech-Protect adapter is a clever way to connect accessories with a Lightning connector to a device equipped with a USB-C port. The adapter provides high data throughput, allowing for fast file transfers between devices and safe battery renewal.

Its solid construction and quality guarantee durability and reliability during use, while the compact size makes the adapter easy to carry.

UltraBoost is extremely easy to use, just connect it to a device with a USB-C port and then connect a device with a Lightning connector to it.
