TECH-PROTECT CAMSHIELD PRO GALAXY S23 FE BLACK

Product code: 9319456607048

EAN: 9319456607048

The rugged Camshield Pro case provides excellent protection for the entire device against drops and scratches. The case combines high-quality TPU and PC components. The flexible and shock-absorbing polyurethane and the durable, abrasion-resistant polycarbonate create a reliable hybrid protection for your device.

Equipped with a simple and easy-to-use slider that can be closed at any moment. The practical cover protects the lens from unexpected damage.

The 360-degree rotating ring works great as a stand for watching movies, a finger grip to safely hold the phone, and even as a mount for a magnetic car holder.
