SPIGEN OPTIK ARMOR GALAXY S24 ULTRA BLACK

Product code: 8809971221986-ACS07313

EAN: 8809971221986

The hybrid case Spigen Optik Armor provides excellent protection for your device. The precisely crafted case combines a soft and flexible TPU cover with a convenient PC slider. The practical shield protects the lens from scratches and other damage during everyday use. An additional advantage is the shock-resistant air cushions that protect the phone from destruction.

The case is finished with a matte texture resistant to dirt, and its anti-slip properties ensure a secure grip and allow comfortable use of the phone without the risk of slipping. The case is perfectly fitted and does not restrict wireless charging capabilities.

Optik Armor has undergone performance testing and received the MIL STD 810G-516.6 certification, which means it has fallen 26 times from a height of 2 meters.

All Spigen products are tested for abrasion resistance and precise fitting to deliver high-quality cases.
