## TECH-PROTECT ULTRABOOST 3IN1 LIGHTNING & TYPE-C & MICRO-USB CABLE 3.5A 100CM GREY

Product code: 5906203691272

EAN: 5906203691272

The functional Tech-Protect UltraBoost cable equipped with three different connectors: USB-C, Micro-USB, and Lightning allows for safe charging of up to 3.5 A, even for several devices at the same time. The cable features an intelligent management system that adjusts the appropriate voltage to the specific device, providing optimal energy renewal according to the needs of the equipment.

UltraBoost also offers a stable and reliable connection - data transfer speeds of up to 480MB/sec.

Made from high-quality components - a core of copper wire, aluminum reinforcement at the ends, and a nylon braid that is resistant to bending and breaking. The durable construction protects the cable from cracking, breaking, fraying, or other damage that may occur during everyday use.

\*Only the Lightning connector allows data transfer.

### **PRODUCT FEATURES:**

- 100% Original
- Packed in original packaging
- Durable construction
- Made of Aluminum
- Maximum total current: 3.5A
- Maximum current Micro-USB/Type-C: 5V/2A
- Maximum current Lightning: 5V/2.4A
- Fast charging function for Lightning connector
- Connector standard: USB-C / Micro-USB / Lightning
- Length: 100cm

### **SET INCLUDES:**

1 x Tech-Protect UltraBoost Cable
