Product code: 4894240194782

EAN: 4894240194782

A professional screen protection proposal from the ESR brand.

Armorite, as it is called, is the perfect combination of super tough and resistant tempered glass and an exceptionally simple installation kit - friendly even to inexperienced users.

The crystal-clear glass provides a flawless image and does not interfere with face ID functionality. Made from high-quality tempered glass, it withstands up to 110 lbs of force, providing even better protection for the screen against scratches and damage. Enhanced with a special antibacterial coating that helps keep the screen impeccably clean.

An additional advantage is the hassle-free installation of the glass.

ESR Armorite is equipped with a special mounting frame and cleaning kit to further simplify application and eliminate unwanted air bubbles.

How to check if the accessory fits your iPad?

It's simple, check the model number on the back of the device, which starts with the letter A:

This product fits: A2588, A2589, A2591, A2316, A2324, A2325, A2072, A2228, A2068, A2230, A2231, A2377, A2459, A2301, A2460, A2759, A2435, A2761, A2762.

### **INSTALLATION INSTRUCTIONS:**

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Thoroughly clean and degrease the screen surface, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as you can - you can position it using the positioning frame from the kit.
- 4) Remove air bubbles by pressing down on the entire surface in circular motions for several seconds. Do this so that the adhesive layer bonds to the screen as strongly as possible.
