TECH-PROTECT MAGSLIM MAGSAFE IPHONE 16 MATTEWHITE

Product code: 5906302311262

EAN: 5906302311262

The Tech-Protect MagSlim MagSafe case is an elegant and stylish solution for users who value modern design and functionality. Made from high-quality materials, it is super lightweight and thin, perfectly fitting the shape of the phone while providing effective protection.

The uniqueness of this case is highlighted by its compatibility with MagSafe technology, allowing it to work with a wide range of MagSafe accessories, such as chargers and magnetic mounts.

The hard back and aluminum frame provide solid protection, while the additional lens protection safeguards the camera from scratches and damage.

The subtle, transparent finish and minimalist design make the case blend perfectly with any style, giving the smartphone a modern look.
