## TECH-PROTECT WALLET MAGSAFE IPHONE 16 BLACK

Product code: 5906302311583

EAN: 5906302311583

The Tech-Protect Wallet MagSafe is an elegant and practical case designed specifically for smartphone users with MagSafe functionality.

Made from high-quality eco-leather, it is not only aesthetic but also durable and functional.

One of the main features of the case is its compatibility with MagSafe technology. Thanks to a special magnetic system, the case can be easily attached to various accessories, such as chargers or car mounts, making it much easier to use the phone.

Another advantage is the stand function, which allows the user to freely watch movies, participate in video calls, or browse content in landscape mode without having to hold the phone in hand. The case provides a stable support for the phone, increasing user comfort.

Additionally, it has a convenient place for documents, credit cards, or cash. This way, you can have all your important items always with you. A practical and functional solution for those who value convenience and organization.

It is worth noting that the Tech-Protect Wallet MagSafe is refined in every detail. The stitching adds a stylish character and simultaneously enhances its durability. Mounted on a base made of TPU, which is a flexible yet durable material, it provides protection for the phone against accidental drops, scratches, and other damage.

The magnetic closure makes opening and closing the case quick and easy, while securely holding the phone inside.
