TECH-PROTECT MAGNECKLACE MAGSAFE IPHONE 16 LAVENDER

Product code: 5906302375905

EAN: 5906302375905

The Tech-Protect Magnecklace is a minimalist protective case with a lanyard that combines elegance, functionality, and the highest quality of workmanship. Made from pleasant-to-touch TPU, the case provides lightness and thinness while offering a high level of protection for your device.

Characterized by a matte finish, it is perfectly fitted to the phone, highlighting its modern look. The raised edge around the lens provides additional protection for the camera against scratches and damage. The Tech-Protect Magnecklace is fully functional, does not restrict access to external ports, allowing for convenient use of the device.

The case is compatible with MagSafe, enabling quick and hassle-free wireless charging. Additionally, it is equipped with an adjustable and detachable lanyard in the form of strings, providing comfort in carrying and safety for your phone.

Choose the Tech-Protect Magnecklace to enjoy a stylish and functional case that perfectly protects your phone in any situation.
