## TECH-PROTECT PB33 LIFEMAG MAGSAFE POWER BANK 5000MAH BLACK

Product code: 5906302309580

EAN: 5906302309580

The Tech-Protect PB33 LifeMag Magsafe 5000mAh is an exceptional power bank designed specifically for users who value functionality and modern design. With MagSafe technology support, the PB33 LifeMag connects to your smartphone, providing convenient and fast charging without unnecessary cables.

With a capacity of 5000mAh, you can easily charge your phone or other devices while traveling. One universal USB Type-C input allows for quick recharging of the power bank or charging of other devices. Its compact size and elegant design make it fit perfectly in your pocket or bag, always within reach.

The Tech-Protect PB33 also features a built-in LED display that continuously shows the charge level. This way, you always know how much energy you have left, allowing for better charging management and preventing unexpected device discharge.

Choose the Tech-Protect PB33 LifeMag – a guarantee of reliable charging in any situation!

\* The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic eye for MagSafe use.
