SUPCASE IBLSN ARMORBOX GOOGLE PIXEL 9 PRO XL BLACK

Product code: 843439151543

EAN: 843439151543

The rugged case from the ArmorBox series by Supcase is one of the most comprehensive and durable products in our entire range.

The case consists of a two-part set. The armor, which is the frame that wraps around the device from the back and edges - made of a blend of soft thermoplastic and a hardened polycarbonate shell. It also includes button covers and closed port plugs, preventing dust, dirt, and moisture from getting inside.

The second, but no less important element is the skeleton applied to the front of the device, which integrates a polycarbonate lens; this protection effectively separates the display from flat surfaces, allowing your device to feel secure.

The case is perfectly fitted and does not restrict wireless charging capabilities. The slightly raised form of the frame around the camera and screen protects it from scratches, lifting the phone just above flat surfaces.

The Supcase ArmorBox is a case that has undergone drop tests, dropped 26 times from a height of up to 1.2m, thus receiving the American military certification MIL-STD 810G-516.6.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Lightweight composite construction
- Precisely made
- Integrated polycarbonate lens protecting the screen
- Provides extreme drop protection
- Stand function
- Perfectly fitted
- Fully functional
- Meets military drop-test standard (MIL STD 810G 516.6)
- Easy to install and remove
