TECH-PROTECT CAMSHIELD PRO XIAOMI 14T PRO BLACK

Product code: 5906302371273

EAN: 5906302371273

The Camshield Pro armored case is an excellent protection for the entire device against drops and scratches. The case is a combination of high-quality TPU and PC components. The flexible and shock-absorbing polyurethane and the durable and abrasion-resistant polycarbonate create reliable hybrid protection for your device.

Equipped with a simple and easy-to-use slider that can be slid at any moment. The practical cover will protect the lens from unexpected damage.

The 360-degree rotating ring works great as a stand for watching movies, a finger grip to securely hold the phone in your hand, and even as a mount for a magnetic car holder.
