TECH-PROTECT CAMSHIELD PRO XIAOMI 14T BLACK

Product code: 5906302371112

EAN: 5906302371112

The armored Camshield Pro case is an excellent protection for the entire device against drops and scratches. The case combines high-quality TPU and PC components. The flexible and shock-absorbing polyurethane and the durable and abrasion-resistant polycarbonate create a reliable hybrid protection for your device.

Equipped with a simple and convenient slider that can be slid at any moment. The practical cover will protect the lens from unexpected damage. The 360-degree rotating ring works great as a stand for watching movies, a finger grip to safely hold the phone in your hand, and even as a mount for a magnetic car holder.
