## SZKŁO HARTOWANE HOFI GLASS PRO+ 2-PACK GALAXY A16 4G 5G A26 5G A17 4G 5G BLACK

Product code: 5906302372669

EAN: 5906302372669

The tempered glass from Hofi is made from lightweight and milled glass with a thickness of 0.3mm, which does not affect touch sensitivity. Its hardness level is rated by the manufacturer at 9H on a ten-point scale. This gives it an extremely high resistance to scratches.

The glass is crystal clear and additionally coated with an oleophobic layer, thus minimizing fingerprints and other contaminants.

**Check how to install:** <https://www.youtube.com/watch?v=lrcFHBd2boc>

\* The glass is compatible with most cases available on the market.

\*\* Due to the various milling of display edges, after installing the film/glass protector on the screen, a slight air halo may appear around the screen! This is a natural situation and depends on the milling of the screen in a given unit.

### **INSTALLATION INSTRUCTIONS:**

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as you can - you can position it using two strips of tape, sticking them to the side of the device.
- 4) Remove air bubbles by pressing the entire surface in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.
