TECH-PROTECT NC45W-GAN 2-PORT NETWORK CHARGER PD 45W BLACK

Product code: 5906302372386

EAN: 5906302372386

Tech-Protect NC45W-GAN is a compact and efficient 2-port charger that meets the demands of your mobile devices, enabling fast and safe charging in any conditions. Thanks to the use of modern GaN technology, it offers a power of 45W, allowing for rapid charging not only of smartphones but also of tablets and laptops. Its two USB-C ports allow for powering two devices simultaneously, ensuring stability and safety of power supply.

The charger stands out with its exceptionally compact design, making it an ideal choice for both home and travel. With reduced heat emission and lightweight construction, it fits in any bag or even pocket, providing safety and comfort of use. By choosing the NC45W-GAN, you gain a reliable, efficient, and portable charger that will take care of your devices anytime and anywhere!
