TECH-PROTECT MAGNECKLACE MAGSAFE IPHONE 16 PRO CANARY YELLOW

Product code: 5906302375936

EAN: 5906302375936

Tech-Protect Magneklace is a minimalist protective case with a lanyard that combines elegance, functionality, and the highest quality of workmanship. Made from pleasant-to-touch TPU, the case ensures lightness and thinness while offering a high level of protection for your device.

Characterized by a matte finish, it is perfectly fitted to the phone, highlighting its modern appearance. The raised edge around the lens provides additional protection for the camera against scratches and damage. The Tech-Protect Magneklace is fully functional, not limiting access to external ports, allowing for convenient use of the device.

The case is compatible with MagSafe, enabling quick and hassle-free wireless charging. Additionally, it is equipped with an adjustable and detachable lanyard in the form of strings, ensuring comfort in carrying and the safety of your phone.

Choose the Tech-Protect Magneklace to enjoy a stylish and functional case that perfectly protects your phone in any situation.
