ESR HALOLOCK MAGNETIC MAGSAFE DASHBOARD CAR MOUNT WIRELESS CHARGER QI2 15W BLACK

Product code: 4894240210963

EAN: 4894240210963

The ESR HaloLock Qi2 car mount is an excellent combination of functionality and modern technology that ensures comfort and safety while driving. With certified fast Qi2 charging at 15W, you can safely and quickly charge your MagSafe-compatible iPhone. The strong magnetic ring with a force of 1600 g ensures stable holding of the phone even on bumpy roads.

The mount can be easily installed on the dashboard or windshield using a reusable suction cup, and the adjustable ball head allows you to set the phone to the most comfortable viewing angle. The ability to switch between portrait and landscape mode makes using navigation exceptionally convenient. This mount is the perfect choice for those looking for reliability, functionality, and modern design.

* The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic eye for MagSafe use.
