An incredibly elegant proposition for women from the Spigen brand. The Classic Charm Magsafe is a perfectly crafted case with a classic design. Together with the included strap, they create a stylish duo that will appeal to even the most demanding users.

The slim yet durable construction combines high-quality components. The back panel is made of high-quality PU leather, which is pleasant to the touch and improves the grip of the phone, while the rest is filled with TPU. The flexible and soft frame is ideal for absorbing shocks in the event of a fall.

The Classic Charm can be worn in two ways: as a case hanging on the frame or as a wrist strap.

The Classic Charm Mag is equipped with a ring compatible with wireless MagSafe technology. The magnetic ring ensures maximum charging efficiency and quick and easy connection with all MagSafe-enabled accessories.
