TECH-PROTECT PB24 LIFEMAG QI2 MAGSAFE POWER BANK 10000MAH WHITE

Product code: 5906302313266

EAN: 5906302313266

The Tech-Protect PB24 LifeMag Qi2 MagSafe is a modern and stylish power bank with a capacity of 10,000 mAh, providing efficient and fast charging for your devices in any conditions. Equipped with MagSafe technology, it allows for wireless charging of compatible devices with a power of up to 15W, ensuring stable and convenient use.

The USB-C and USB-A ports allow for simultaneous charging of multiple devices, making it an ideal companion for everyday use and travel. Built-in LED indicators inform you about the battery charge level, and the sturdy casing made of durable materials ensures longevity and an aesthetic appearance. Additional protections, such as overcharge, surge, and overheating protection, guarantee the safety of the charged devices.

This is not only a practical but also a stylish solution for demanding users who value reliability and modern design.

* The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic loop for MagSafe use.
