## TECH-PROTECT Q15W-A38 MAGNETIC MAGSAFE WIRELESS CHARGER WHITE

Product code: 5906302372201

EAN: 5906302372201

The Tech-Protect Q15W-A38 is a modern wireless charger with MagSafe functionality, designed for users who value convenience, safety, and style. Thanks to its innovative design, it enables fast and secure charging of smartphones with MagSafe functionality, as well as wireless headphones. The integrated stand allows for charging in both vertical and horizontal positions, providing complete freedom to use the device – you can watch movies, browse social media, or make video calls without worrying about a low battery.

The compact and minimalist design of the charger, finished with a matte material, prevents fingerprints and fits perfectly into any interior. The anti-slip finish on the base and bottom ensures stability and safety of the device during charging.

The Tech-Protect Q15W-A38 is equipped with an advanced protection system that safeguards the charged devices from overheating, overloading, and surges. It maintains a stable, low operating temperature, allowing you to leave the device on the charger for several hours without worry.

With MagSafe technology, charging becomes even more convenient – just place your phone on the charger, and the magnetic connection will ensure secure and efficient energy replenishment. The Tech-Protect Q15W-A38 is the perfect combination of modern technology, functionality, and elegant design that meets the demands of even the most discerning users.

\* To fully utilize the capabilities of the wireless charger, we recommend connecting it to a power adapter with an output power of 20W (V\*A) or more.

\*\* The magnetic MagSafe function works only directly with the phone/headphones or with a case that has a built-in magnetic loop for MagSafe use.

### **PRODUCT FEATURES:**

- 100% Original
- Packed in original packaging
- Compatible with MagSafe system
- Matte finish

- Ability to charge in vertical and horizontal positions
- Protective system ensuring safety from overheating and surges
- USB-C input current: 9V/2A
- Smartphone output power: 15W
- Earphone output power: 5W

**SET INCLUDES:**

1 x Tech-Protect Qi15W-A38 Charger

1 x USB-C / USB-C Cable 100 cm
