TECH-PROTECT QI15W-A40 WIRELESS CHARGER BLACK

Product code: 5906302372430

EAN: 5906302372430

Tech-Protect Qi15W-A40 is a modern and stylish wireless charger that provides convenient, fast, and safe charging for devices. Equipped with Qi/CE/FCC/ROHS/UKCA/IC-ID certifications, it is compatible with most smartphones that support wireless charging. With a power of 15W, the device allows for efficient charging, reducing waiting time.

Made of high-quality ABS material, it is durable and has a modern appearance. Additionally, the package includes a 1-meter USB-C to USB-C cable, allowing you to start using it right after unpacking. The charger features an ergonomic design that allows you to position your phone vertically or horizontally, making it comfortable to use even while charging.

The built-in subtle LED backlight not only adds elegance but also informs you about the charging status, providing even greater user comfort.

Tech-Protect Qi15W-A40 is the perfect solution for home, office, and travel, combining style, functionality, and reliability.

* To fully utilize the capabilities of the wireless charger, we recommend connecting it to a wall charger with an output power of 20W (V*A) or more.
