TECH-PROTECT Q15W-A36 3IN1 WIRELESS CHARGER FOR APPLE BLACK

Product code: 5906302372140

EAN: 5906302372140

Tech-Protect Q15W-A36 is a multifunctional, wireless charging station that allows simultaneous charging of up to three devices – iOS smartphones, AirPods wireless headphones, and Apple Watch. Thanks to its modular design, you can use the charger in any configuration, adapting it to your needs – charging all devices at once or each one separately.

The elegant, minimalist style with a matte finish ensures that the Q15W-A36 fits perfectly into any interior, from a home office to a bedroom, and its compact design saves valuable space on your desk or nightstand.

The advanced protection system ensures the safety of the charged devices, protecting them from overheating, overloading, and power surges. It maintains an optimal operating temperature, making even long charging sessions completely safe. Tech-Protect Q15W-A36 is the perfect solution for those who value convenience, functionality, and modern design in one device.

* To fully utilize the capabilities of the wireless charger, we recommend connecting it to a power adapter with an output power of 35W (V*A) or more.
