Product code: 5906302380329

EAN: 5906302380329

Discover the advanced Tech-Protect Qi15W-A44 charger that combines convenience, style, and fast charging! With built-in MagSafe technology, the charger securely attracts and holds your device in the perfect position, ensuring optimal charging performance. Enjoy the power of Qi technology, which allows you to quickly and safely charge your device with a maximum power of 15W.

The elegant, compact, and lightweight design perfectly fits any desk or home space, and its subtle, minimalist look matches any style. Exceptional functionality is provided by the dual USB-A and USB-C connectors, allowing easy connection to a wide range of devices and wall chargers.

The Tech-Protect Qi15W-A44 is designed for devices that support wireless charging, including iPhones with MagSafe, as well as other Qi-compatible smartphones. A sturdy cable and durable casing guarantee long-lasting use. Forget about tangled cables and enjoy wireless freedom.

The Tech-Protect Qi15W-A44 is the perfect solution for those who value modern technology and user comfort. Choose a charger that cares for your time and convenience!

\* To fully utilize the capabilities of the induction charger, we recommend connecting it to a wall charger with an output power of 20W (V\*A) or more.

\*\* The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic loop for MagSafe use.
