RINGKE ONYX MAGNETIC MAGSAFE GALAXY S25+ PLUS BLACK

Product code: 8800274968769

EAN: 8800274968769

The Onyx Magnetic Magsafe case from Ringke is made of soft and durable thermoplastic material, additionally reinforced at the edges to best protect the device. The slightly raised form of the case around the camera and screen protects it from scratches, lifting the phone just above the flat surface. It has button covers, cutouts for ports, and a lanyard.

This case is covered with a matte-grain structure with anti-slip properties. It effectively protects the device from scratches and withstands all forms of user activity. It provides high grip and comfort of use while maintaining an elegant style.

The case is equipped with a ring compatible with wireless MagSafe technology. The magnetic ring ensures maximum charging efficiency and a quick and easy connection to all MagSafe-enabled accessories.

Onyx is a case that has undergone drop testing, 26 times from a height of up to 1.2m, thus receiving the American military certification MIL-STD 810G-516.6.
