ESR CLASSIC PRO SET HALOLOCK MAGSAFE IPHONE 16 PRO MAX FROSTED GREY

Product code: 4894240230091

EAN: 4894240230091

ESR Classic Pro Set HaloLock with MagSafe is the ideal choice for those seeking reliable protection and modern functionality. The case is compatible with MagSafe accessories thanks to built-in magnets that ensure a stable connection with chargers, mounts, and stands, providing everyday convenience. The set offers full protection for the phone with raised edges that effectively safeguard the screen and camera from scratches and impacts.

Military-level protection is made possible by Air Guard technology with reinforced corners that absorb shocks, ensuring safety even in challenging conditions. Additionally, the case is equipped with interchangeable buttons that can be customized to your style, and their design provides exceptional user comfort.

The set also includes a protective glass that can be quickly and easily applied thanks to a special dust-repellent coating and a frame that facilitates installation, avoiding the formation of air bubbles.

ESR Classic Pro Set HaloLock combines maximum protection, functionality, and elegance, meeting the expectations of even the most demanding users.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as possible - you can position it using the positioning frame from the set.
- 4) Remove air bubbles by pressing down firmly in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% original
- Packed in original packaging
- Minimalist design
- Slim shape

- Additional lens protection
- Perfectly fitted
