## TECH-PROTECT ULTRABOOST CABLE TYPE-C TO DISPLAYPORT 1.4 8K 60HZ 180CM BLACK

Product code: 5906302321780

EAN: 5906302321780

Tech-Protect UltraBoost is a reliable Type-C to DisplayPort cable that ensures smooth and high-quality audio and video transmission. It supports a resolution of 8K/60Hz, guaranteeing exceptional sharpness and fluidity of the image – ideal for professional graphic applications, entertainment, or gaming.

Standard Type-C 3.0 and DisplayPort 1.4 interfaces ensure compatibility with modern devices. The cable supports full audio and video transmission, allowing for convenient integration with monitors, projectors, and televisions.

Made from high-quality PVC material and equipped with 16 cores, it offers durability and resistance to damage. Its length of 1.8 m is optimal for everyday use in the office, home, or while traveling. The universal cable works with a wide range of devices, such as phones, laptops, tablets, and desktop computers.
