TECH-PROTECT PB01 POWER BANK 10000MAH 22.5W WHITE

Product code: 5906302380497

EAN: 5906302380497

Tech-Protect PB01 Power Bank 10000mAh 22.5W is a reliable solution for anyone who needs a convenient and efficient source of energy. Equipped with a large 10,000 mAh battery and fast charging at 22.5W, it provides instant power for smartphones, tablets, or other devices, even during intensive use.

With two USB-A ports and a USB-C port, it is compatible with almost any device, and its elegant design and slim casing make it look great in any situation. Additionally, the clear LED display allows for easy monitoring of battery status, and advanced protection systems safeguard against overheating, overcharging, and short circuits.

The compact size and lightweight design make this power bank perfect for both travel and everyday use.
