

TECH-PROTECT MC02 ULTRABOOST MAGNETIC CHARGER TYPE-C CABLE 100CM APPLE WATCH WHITE

Product code: 5906302360086

EAN: 5906302360086

Tech-Protect UltraBoost MC02 is an exceptional charging cable designed for Apple Watch users. Equipped with wireless magnetic charging technology, it provides a stable and precise connection to the device, eliminating the risk of accidental disconnection.

The product offers advanced protections such as overheating, overload, and current limitation, ensuring safety during use. With a length of 100 cm, the cable is extremely convenient for everyday use, both at home and on the go, and its minimalist white design perfectly complements the elegant style of the Apple Watch.

Tech-Protect UltraBoost MC02 combines reliability, comfort, and safety in one, making it an excellent choice for anyone looking to fully utilize their device's capabilities.
