TECH-PROTECT Q15W-A46 3IN1 MAGNETIC MAGSAFE WIRELESS CHARGER WHITE

Product code: 5906302361007

EAN: 5906302361007

Tech-Protect Q15W-A46 – a modern, magnetic 3-in-1 wireless charger designed for users who value convenience and aesthetics. With support for MagSafe technology and the ability to charge three devices simultaneously, it is the perfect solution for the office, bedroom, or living room. The charger supports fast charging of up to 15W for smartphones, 2.5W for smartwatches, and 3W for headphones, while compatibility with PD and QC3.0 protocols ensures stable and efficient power supply for devices.

The Q15W-A46 model stands out with its modern design and built-in ambient lighting with the option to choose from 6 colors, which can be switched freely to match the surroundings. Thanks to strong magnets, the phone remains securely attached even in a vertical position, making it easier to use FaceTime or browse content. The charger is compatible with devices that support wireless charging, including MagSafe iPhones, Apple Watch, and AirPods.

Made from high-quality ABS+PC materials, it ensures durability and an elegant appearance. Its compact design means it doesn't take up much space, and the USB-C port allows for easy connection to a power source. The package includes a USB-C to USB-C cable (1m).
