TECH-PROTECT SMART VIEW XIAOMI REDMI 12 BLACK

Product code: 5906302362424

EAN: 5906302362424

The Smart View case from Tech-Protect is made of high-quality synthetic leather that wraps around a polycarbonate shell.

The durable and comfortable-to-use case features a cutout at the front for the speaker, allowing you to use the phone with the cover closed.

The flap has an integrated magnet and a window that displays the time after installing the app.

The case is perfectly fitted and does not restrict wireless charging capabilities.

When folded correctly, the case can also serve as a stand for the device, allowing for effortless viewing of what is happening on its display without the need to hold it.

INSTRUCTION:

1. Scan the QR code and download the Smart Window app.
2. Install and activate the app with the S/N number.
3. Keep the app running.

* If a lock message appears, allow the installation
