SZKŁO HARTOWANE TECH-PROTECT GLASS SET+ 3-PACK GALAXY A36 A56 5G CLEAR

Product code: 5906302362080

EAN: 5906302362080

Tech-Protect Glass Set+ is an indispensable protective set that secures the screen and lens of your device during everyday use.

The tempered glass is a high-quality protective accessory made from lightweight and precisely milled glass with a thickness of only 0.3mm.

The perfectly fitted design fully retains the sensitivity of the touchscreen. The manufacturer rates its hardness level at 9H on a ten-point scale, which translates to exceptional scratch resistance during everyday use.

The glass features crystal-clear transparency, preserving the natural colors and sharpness of the display. An additional advantage is the special oleophobic coating that effectively minimizes the accumulation of fingerprints and other contaminants on the glass surface, making it easier to keep it clean.

The protective lens cover is made of high-quality tempered glass with a hardness of 9H. Precisely cut, it provides protection against scratches and breakage.

* The glass is compatible with most cases available on the market.

** Due to the diverse milling of display edges, a delicate air halo may form around the screen after installing the protective film/glass on the screen! This is a natural situation and depends on the milling of the screen in a given unit.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Thoroughly clean and degrease the screen surface, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as possible - you can position it using two strips of tape, sticking them to the side of the device.
- 4) Get rid of air bubbles by pressing the entire surface in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Hardness 9H
- Cut to the flat part of the display
- 2.5D milled edges that feel nice to the touch
- Additional oleophobic layer
- Perfect transparency
- Does not affect touch functionality
- Dimensions: 158 x 74 mm

SET INCLUDES:

- 2 x Tech-Protect Glass for the display
- 1 x Tech-Protect Glass for the camera
- 2 x Installation kit
