## TECH-PROTECT DEFENSE MOTOROLA MOTO G15 G15 POWER G05 E15 BLACK

Product code: 5906302361779

EAN: 5906302361779

The Defense case series from Tech-Protect is an exceptionally durable case. The cover is one of the most complete and robust products in our entire range. The case consists of two elements: a frame that wraps around the edges of the phone along with an integrated hybrid glass with a hardness of 5H, and a hybrid armor that fits onto the back of the device.

The entire construction is made from a blend of soft thermoplastic material and a hardening polycarbonate coating. Both parts fit together thanks to the "Snap-On" design.

The slightly raised form of the frame around the camera and screen protects it from scratches, lifting the phone just above a flat surface.
