

SZKŁO HARTOWANE SPIGEN GLAS.TR "EZ FIT PRO" GALAXY S25 EDGE CLEAR

Product code: 8800283302431-AGL09411

EAN: 8800283302431

Spigen Glas.tR "EZ Fit Pro" tempered glass is a high-quality screen protection with a convenient EZ Fit Pro installation system that allows for quick, precise, and hassle-free application without air bubbles or misalignment. It consists of several layers, including an oleophobic coating that reduces fingerprints, a protective layer that absorbs impacts, and tempered glass with a hardness of 9H, effectively safeguarding the screen against scratches and damage.

It maintains full clarity and touch sensitivity, not affecting the comfort of daily use. Perfectly fitted and compatible with Spigen cases, it provides reliable and aesthetic screen protection.

* The glass/film is cut only for the flat part of the display with a protruding structure, according to and based on the die prepared by the manufacturer of the specific phone model. Only such cutting of the film/glass will ensure complete compatibility with our protective accessories.

** Due to the various edge milling of displays, a delicate air halo may appear around the screen after installing the protective film/glass on the screen. This is a natural situation and depends on the screen itself.

INSTALLATION INSTRUCTIONS:

1. Start the installation in the bathroom right after a shower – the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
2. Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth. Make sure no dust particles remain.
3. Place the frame with the already mounted glass on the phone – it will ensure precise fitting and facilitate application.
4. Pull the starter film to begin the automatic glass application process on the screen.
5. Press the glass in designated areas. Do this carefully to ensure the adhesive layer bonds well with the surface.
6. Remove the frame and eliminate any air bubbles by moving your finger in circular motions.

PRODUCT FEATURES:

- 100% Original

- Packed in original packaging
- Exceptional ease of installation thanks to the mounting frame
- Hardness 9H
- 2.5D milled edges that feel nice to the touch
- Additional oleophobic layer
- Ideal clarity
- Does not affect touch functionality
- Dimensions: 152 x 75 mm

SET INCLUDES:

- 1 x Spigen Glas.tR "EZ Fit Pro" Tempered Glass
- 1 x Installation Kit
