## TECH-PROTECT NC20W 1-PORT NETWORK CHARGER PD 20W + LIGHTNING CABLE WHITE

Product code: 5906302362899

EAN: 5906302362899

Fast and reliable charging in a compact form! The Tech-Protect NC20W is a modern 20W PD wall charger that provides quick and safe energy replenishment for your devices.

Equipped with one power port: USB-C (PD20W). The Power Delivery technology minimizes charging time by rapidly increasing the power to devices, while protective systems safeguard the device against harmful overloads. Made from durable materials, it protects against overheating and surges, ensuring long lifespan. Its extremely lightweight and compact design means it can fit in any bag, backpack, or suitcase, which means you can have it with you during every trip.

The durable and damage-resistant cable ensures a stable connection and fast energy transfer, making charging even more efficient.
