TECH-PROTECT FLEXAIR HYBRID MAGSAFE GALAXY S25 EDGE CLEAR

Product code: 5906302363643

EAN: 5906302363643

Classic, one-piece Flexair Hybrid MagSafe case from Tech-Protect with a transparent finish, designed to highlight the lines and original silhouette of the device.

The hybrid construction combines rigid polycarbonate back and a durable, flexible frame around it. The whole provides excellent protection against scratches and damage while maintaining a slim and lightweight design.

Perfectly fitted case closely adheres to the device, enhancing the comfort of use, and precisely made cutouts do not limit functionality - allowing free access to buttons and ports. The slightly raised form of the case around the camera and screen protects against scratches, lifting the phone just above the flat surface.

The case is equipped with a ring compatible with wireless MagSafe technology.

The magnetic ring ensures maximum charging efficiency and quick and easy connection with all MagSafe-enabled accessories.
