TECH-PROTECT Q15W-A47 3IN1 MAGNETIC MAGSAFE WIRELESS CHARGER BLACK

Product code: 5906302362523

EAN: 5906302362523

Tech-Protect Q15W-A47 is a compact and extremely functional 3-in-1 wireless charger designed for users of the Apple ecosystem. Thanks to MagSafe technology, it provides fast and safe charging for your iPhone, Apple Watch, and AirPods in one place – without tangled cables and the need to use several different chargers.

The device features a minimalist design, a foldable arm, and a lightweight and portable construction, making it an ideal choice for home, office, and travel. The magnetic surface guarantees stable adherence of the iPhone, while the specially designed spots for the watch and headphones allow for convenient charging of all devices simultaneously.

The protection system safeguards connected devices from overheating and overvoltage, maintaining a consistently low temperature during charging. Therefore, leaving devices on the charger for several hours is completely safe.

* The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic loop for MagSafe use.

** To utilize the full capabilities of the wireless charger, we recommend connecting it to a power adapter with an output power of at least 35W.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Aesthetic
- Supports MagSafe technology
- USB-C input current: 9V/3A, 12V/2.4A
- Smartphone output: 15W
- Watch output: 2W
- Headphone output: 3W
- Modular construction
- Ability to power three devices simultaneously

- Ability to power each device separately
- Magnetic, strong connection

SET INCLUDES:

- 1 x Tech-Protect QI15W-A47 Charger
- 1 x USB-C / USB-C Cable 100cm
