TECH-PROTECT PB31 LIFEMAG MAGSAFE POWER BANK 10000MAH PINK

Product code: 5906302362790

EAN: 5906302362790

Tech-Protect PB31 LifeMag is a lightweight and compact power bank compatible with MagSafe technology, featuring advanced functionality and modern design. With a capacity of 10000mAh, it provides enough energy to recharge your mobile devices multiple times, no matter where you are.

With two inputs: 1 x USB-C and 1 x USB-A, you can charge different devices simultaneously, greatly enhancing functionality. The PB31 includes permanently built-in USB-C and Lightning cables, ensuring versatility and convenience when charging various types of devices.

Support for Power Delivery 3.0 technology allows for fast and efficient charging of compatible accessories. The built-in display informs you of the charge level, allowing you to monitor the battery status in real-time. Equipped with advanced protective sensors: overvoltage, overload, and short-circuit protection, which ensure safe charging of your devices, protecting them from damage.

Lightweight and compact, ideal for everyday use and travel. Its small dimensions make it easy to fit in a bag, backpack, or even a pocket.

Tech-Protect PB31 LifeMag 10000mAh is a reliable source of energy that meets the expectations of even the most demanding users. It is an excellent choice for those who value safety, convenience, and modern technological solutions.

* The MagSafe magnetic function works only directly with the phone or with a case that has a built-in magnetic eye for MagSafe use.
