TECH-PROTECT NCM33 2-PORT NETWORK CHARGER PD 33W QC3.0 BABY PINK

Product code: 5906302375776

EAN: 5906302375776

The Tech-Protect NCM33 network charger is a compact and efficient device that allows for fast and safe charging of two devices simultaneously. Equipped with two ports – USB-C with Power Delivery (PD) technology of up to 33W and USB-A supporting Quick Charge 3.0 (QC3.0) of up to 30W – it enables simultaneous charging of smartphones, tablets, or other electronic devices with maximum efficiency.

Thanks to modern technologies, the charger automatically adjusts the charging parameters to the connected devices, significantly reducing the time needed for a full charge. Built-in security systems protect against surges, overheating, and short circuits, ensuring complete safety of use. Its compact design and lightweight casing make it ideal for use at home, in the office, or while traveling.

Versatility, modern design, and functionality make the Tech-Protect NCM33 an excellent choice for demanding users.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Compatible with smartphones, tablets
- Made from durable materials
- Input voltage range: 100-240V 50/60Hz 0.8A
- Output voltage: USB-C: 5V 3A, 9V 3A, 12V 2.5A, 15V 2A, 20V 1.5A (PPS) 3.3V-11V 3A 3.3V-16V 2A PD single (33W)
- Output voltage: USB-A: 5V 3A, 9V 3A, 12V 2.5A, 20V 1.5A (30W)
- Compatible with iOS, Android
- Smart charging
- Compact size

SET INCLUDES:

1 x Tech-Protect NCM33 network charger
