## TECH-PROTECT ULTRABOOST AA01 ANGLE ADAPTER TYPE-C GREY

Product code: 5906302360284

EAN: 5906302360284

Tech-Protect UltraBoost AA01 is a compact and extremely functional USB-C angle adapter, designed for maximum convenience and performance. Made of durable aluminum, it features an elegant finish and modern design.

The adapter supports the USB4 standard, providing an impressive bandwidth of up to 40 Gbps and power of up to 100W, allowing for fast data transfer, device charging, and high-quality image transmission. The angled design makes the adapter perfect for tight spaces, protecting ports from damage and increasing comfort when using laptops, tablets, or smartphones. USB-C / USB-C connectors guarantee full compatibility with modern devices.

Tech-Protect UltraBoost AA01 is a reliable solution for anyone who values performance, durability, and ergonomics in everyday use.
